January 10, 2012

The Calvary Community Development Corporation (CCDC) Board of Directors is pleased to introduce our Calvary Community Golf Classic Tournament. On Saturday, September 8, 2012 we will be holding our annual event at Eagle Springs Golf Course, 2575 Redman Road, St. Louis, Missouri 63136.

Calvary Community Development is a non-profit organization geared towards raising money to benefit the St. Louis community in the areas of health, education, employment and housing. As this is a new event for our organization, your help would be instrumental in establishing a quality precedent. Making this event successful this year and in the future can only be accomplished with the generosity of you and your organization. By making a donation to this event you will not only be contributing to CCDC's mission of community outreach, but your organization will also have a unique opportunity to participate first hand in the event. By donating, you will be eligible to:

- Send employees to golf in the tournament
- Send company representatives to promote your organization, products, or services by distributing information, mingling with golfers, and receiving official recognition.

Your organization can participate at various giving levels, with attractive benefits at each to include: sponsoring specific holes on the course, be included in event publications, and have the name printed on the event t-shirts. For example, a "hole" sponsorship is at the (Silver) giving level and includes all of the benefits at other levels.

Enclosed is a sponsorship form that explains the sponsorship levels in more detail. Please make checks payable to the Calvary Community Development, a 501c (3) organization [donations are therefore fully tax-deductible]. We are more than happy to discuss the specific situation for your company's giving ability – your support in any way is welcome. If you are not the individual in your organization to make a decision regarding our request, we ask that you kindly forward this letter to the appropriate person. As well, if sponsorship is not possible for your organization we would still be excited to have any employees from your company enter in the tournament. Participants for the "four person scramble" enter in teams of four, with a minimum donation of $100 per golfer or $400 per team. Carts are included with this donation. If you have any questions about the organization or donations, please feel free to contact us using the information below. Thank you in advance for your interest and support.

Sincerely,

Jeffery Taylor
